

Resume Analysis Report

Candidate: VISHWAJIT SEN

Overall Fit Score: 91.13

Trait Analysis

Technical Expertise: 91.23

Evidence: ■ Coached multiple folks to successfully build their career in the data science and problem-solving using ML/DL algorithms.

HR Comment: Outstanding strength in Technical Expertise, a clear differentiator.

Leadership: 91.49

Evidence: ■ Coached multiple folks to successfully build their career in the data science and problem-solving using ML/DL algorithms.

HR Comment: Outstanding strength in Leadership, a clear differentiator.

Innovation: 93.21

Evidence: ■ Technical Excellence: Proficient in Python, R, SAS, SQL, cloud platforms (AWS, Azure), Big Data technologies, PySpark, deep learning frameworks (PyTorch, Dataiku, Transformers), Agentic AI, MLOps, data visualization tools (Power BI, Tableau), and advanced AI applications including Generative AI, LLMs, Retrieval-Augmented Generation (RAG), Computer vision problems like Image classification using Transfer Learning (VGG16, Resnet etc).

HR Comment: Outstanding strength in Innovation, a clear differentiator.

Problem Solving: 89.36

Evidence: ■ Coached multiple folks to successfully build their career in the data science and problem-solving using ML/DL algorithms.

HR Comment: Strong capability in Problem Solving, reliable and consistent.

Communication: 90.05

Evidence: ■ Instrumental in building relations with upper-level decision makers, seizing control of critical problem areas and delivering on client commitments.

HR Comment: Outstanding strength in Communication, a clear differentiator.

Business Acumen: 91.46

Evidence: ■ Equipped with a strong foundation in MLOps principles, tools, and cloud infrastructure to lead cross- functional AI/ML initiatives, streamline deployment processes, and drive enterprise-scale AI adoption.

HR Comment: Outstanding strength in Business Acumen, a clear differentiator.

Collaboration: 93.89

Evidence: ■ Worked closely with the business heads / stakeholders for the Digital/Innovation / Analytics COE team in understanding the business problems and building the end-to-end problem solutions.

HR Comment: Outstanding strength in Collaboration, a clear differentiator.

Research Orientation: 91.75

Evidence: ■ ■ Successfully completed an end-to-end MLOps training program designed for real-world AI project deployment.

HR Comment: Outstanding strength in Research Orientation, a clear differentiator.

Execution & Delivery: 92.52

Evidence: ■ Equipped with a strong foundation in MLOps principles, tools, and cloud infrastructure to lead cross- functional AI/ML initiatives, streamline deployment processes, and drive enterprise-scale AI adoption.

HR Comment: Outstanding strength in Execution & Delivery, a clear differentiator.

Strategic Vision: 93.44

Evidence: My passion lies in translating complex data into actionable insights that empower organizations to make informed decisions, foster innovation, and achieve sustainable growth.

HR Comment: Outstanding strength in Strategic Vision, a clear differentiator.

Adaptability: 90.17

Evidence: ■ Throughout my career, I have successfully delivered high-impact solutions across diverse industries, including manufacturing, healthcare, banking, pharmaceuticals, automotive, insurance, consulting and technology.

HR Comment: Outstanding strength in Adaptability, a clear differentiator.

Emotional Intelligence: 83.64

Evidence: My passion lies in translating complex data into actionable insights that empower organizations to make informed decisions, foster innovation, and achieve sustainable growth.

HR Comment: Moderate competency in Emotional Intelligence, potential for growth.

Work Ethic: 90.23

Evidence: ■ Passionate about continuous learning and gaining new skills related to Statistics, Data Science, Leadership Principles and Project/ People Management.

HR Comment: Outstanding strength in Work Ethic, a clear differentiator.

Learning Agility: 91.6

Evidence: ■ Passionate about continuous learning and gaining new skills related to Statistics, Data Science, Leadership Principles and Project/ People Management.

HR Comment: Outstanding strength in Learning Agility, a clear differentiator.

Cultural Fit: 87.62

Evidence: ■ Strategic Leadership: Experienced in building and leading high-performing data science teams, cultivating a culture of innovation, and aligning technical solutions with business goals through strong stakeholder collaboration.

HR Comment: Strong capability in Cultural Fit, reliable and consistent.
